HS SERIES

ELECTRIC CRAWLER SCISSOR LIFT

Efficient and Flexible

- Single-handle control for steering and walking, simple operation.
- It can turn unilaterally and in place, with high maneuverability and flexibility.
- Supports one-click automatic leveling, has strong adaptability to different terrains, and is safe and worry-free.

Outstanding performance

- Suitable for various complex terrains.
- Maintenance-free battery with strong endurance.
- Electric drive, zero emissions, high efficiency, maintenance-free for life.

Low operating costs

- The drawer-type door box structure makes it convenient and quick to inspect and maintain key components.
- Self-diagnosis of faults, intelligent and efficient.
